INTRODUCTION

This Handbook is the result of many hours of labor of many who have preceded us in this greatest fraternity the world has ever seen. We have updated and revised it to the best of our knowledge and ability for you, the freemason of Wisconsin. This book will change as needed with time, but the use of it will never change. It is to be used as a reference book to help you and your Lodge to be successful in your community.

The book is to be used with a computer and the various sections of interest to be printed as needed. The whole book may be printed and put in a three ring binder of earlier editions. If you do not have a computer you can take this disc to a Quick Print, Staples, or other printing store and have it printed for a nominal fee.

The Grand Lodge Long Range Planning Committee members who helped revise this 2003 edition of the handbook; Keith Krinke, John Luy, Lowell Scott, Dr. Virgil Sharp, Craig Campbell, Ray Heilborn, Davey White Jr., Dr. John Wilke and J. B. VanHollen would like to dedicate this book to the, present, past and future Masons of Wisconsin.

Thank You,

Grand Lodge Planning Committee

ERROR/COMMENT SHEET

It is recognized that even with the best efforts and the most careful critique, errors may occur. It would be most appreciative if you would jot them down on this form and forward them to the Grand Lodge Office.

This HANDBOOK was developed for your benefit. You are further invited to comment and/or submit ideas on improvement of the HANDBOOK. All comments will be read at each of the long range planning committee's meeting. The committee will respond to all inquiries.
